## MARINE

When Captain Freeman brings down the Inter-Island Steam Navigation Company's splendid new steamship Mauna Kea there will be a change in the commands of the other fourteen vessels of the fleet. While nothing has been definitely arranged, as yet, it is believed that Captain Bennett, who is now in command of the steamer Claudine, will be transferred to the command of the Kinau which is at present the flagship of the fleet. When Parker was taken from the Claudine, Bennett was put in charge, being taken from the Maui for that purpose. Bennett has been No. 2 on the list for some months and with Captain Freeman's transference to the new boat, the Mauna Kea, Bennett is in line for the old reliable Kinau.

The new arrangement and schedule will not be made until the Mauna Kea is actually in these waters, but, according to rating and the talk on the waterfront, Bennett will succeed Freeman. What happens after that is all conjecture, for President Kennedy, Vice President McLean and Captain Haglund do not themselves know at the present time. Simerson is so enamored of the Mauna Kea that it is doubtful if he will be transferred, or if he would consider a transfer an advancement. The Mauna Kea will be the fifteenth vessel of the fleet. She will take the Hilo run, that is certain, but whether she will make a weekly run as does the Kinau or a semi-weekly run is uncertain. The probabilities are that she will be started on a weekly run and put on the semi-weekly run when it is assured that such a run will pay. The Kinau will likely go on the Kauai route.

## HOSPITAL WANTS QUEEN EMMA LAND

The Queen's Hospital yesterday began suit in the Circuit Court to require Bruce Cartwright, trustee under the will of the late Queen Emma, to turn over to that institution a large amount of property both real and personal now in his possession as trustee, which is not needed, to secure the payment of the annuities provided for under the will.

Besides Bruce Cartwright as trustee, Lucy Penbody, Grace Kehoali, St. Andrew's Priory and Bishop Restarick are made parties defendant, as they are the only persons and institutions now existing, besides the Queen's Hospital, which have an interest in the property.

The bill sets out that Queen Emma, by her will, devised a number of annuities to different persons, and certain sums for scholarships to St. Andrew's Priory, and provided that these annuities be paid to the trustee might turn over to the hospital the properties not needed to secure the payment of the remaining annuities. It is alleged that the annuities now payable out of the estate amount to only \$1800, while the trustee has in his possession land worth \$68,000, bringing in a steady income of about \$5000, and that this land is likely to continue as productive as it is now. Besides this, he has bonds and mortgages amounting to \$9000, bringing in an income of \$460 a year, and that he has recently received \$35,785 from the United States Government for the land of Halawa and a sea fishery attached thereto. Albert Kuniaka, it is stated, is dead without leaving issue, so that the Queen's Hospital is the sole residuary legatee. As the trustee does not need near all the property he has in his possession to pay the annuities charged against it, the court is asked to require the trustee to turn over to the hospital the property not needed for this purpose.

If the hospital is successful in this suit, its funds from the Queen Emma estate will be very greatly augmented.

## DIVORCE GRANTED.

Judge De Bolt yesterday granted a decree of divorce to Martha K. Ross from Fred Ross on the ground of desertion, his funds from the Queen Emma estate will be very greatly augmented.

## CLAIMS TURNED DOWN.

J. K. Kaleikini and Mary Kapala Kaleikini have filed objections to the approval of final accounts of Albert Waterhouse as administrator of the estate of A. Kahi, deceased. They say that he refused to pay their claims and that there is property in his hands with which they could be paid, or a part of them anyway, and that they will bring suit against him to establish the validity of their claims.

## PLEADS GUILTY.

Before Judge Dole yesterday Louis Florloff changed his plea from not guilty to guilty, and will be sentenced this morning. He is one of the youth who stole expensive brass fixtures from the warehouse of the United States Lighthouse board and sold them to a second-hand dealer.

## BISHOP STREET EXTENSION.

In the proceeding brought by Attorney General Hemenway on behalf of the Territory for the condemnation of the extension of Bishop street from King to Merchant, an answer has been filed by J. P. Hackfeld and Paul and Heinrich Ehlers, setting up that they are mortgagees of the Emmeluth leasehold, and that the mortgage is for \$15,000 with about \$80 of accrued interest. They ask that if the land is condemned for street purposes that they be awarded this sum.

This proceeding is the one for securing the extension of Bishop street, a necessary accomplishment before the site for the Federal building can be turned over to the United States Government.

## RESIGNATION NOT ACCEPTED.

Judge De Bolt yesterday refused to accept the resignation of J. Alfred Magoon as administrator of the estate of the late William Brash. In his petition presenting his resignation Magoon alleged that there is no property of the estate in his hands with which he can either employ counsel or pay costs of the proceeding necessary to secure the payment of the \$800 fire claim which belongs to the estate, but which he secured in the name of J. Brash. Judge De Bolt held that he would not be justified in accepting the resignation of Magoon as long as this claim was uncollected.

## THE ORGANIC ACT.

Judge De Bolt yesterday set for hearing on January 8 the case of the Territory of Hawaii vs. Kapiolani Estate. In this case the Kapiolani estate raises the question of whether the Crown lands ever became legally the property of the Provisional Government, the Republic of Hawaii, and by operation of the Organic Act of the Territory of Hawaii, or whether they belong to the heirs of the Kamehamehas.

## THE EDMUNDS ACT.

Judge Dole yesterday announced that he would file a written opinion on the demurrer filed by Magoon & Lightfoot to the indictment against Yee Sha Kee charged with a violation of the Edmunds Act. The demurrer raises the question of whether the Edmunds Act applies to the Territory of Hawaii, or whether it was intended by Congress to apply only to the Territory of Utah, that it should not extend to other Territories.

## FOUR MONTHS FOR BIGAMY.

Judge Dole yesterday sentenced Rosa De Coita to four months imprisonment for bigamy. She was married at 13, she says, because she was coerced into it. She has been married twice since then. She is twenty-two. Her mother and some other women were in court and there were many tears when the Marshal took her off to begin serving her sentence.

## NO POISON.

## FIGURES COSTS AT THOUSANDS

The motion of certain of the defendants in the Lowrie case to require the plaintiff to give security for costs, was set by Judge Robinson yesterday for Monday morning next at 9 o'clock. The setting of the time for hearing the motion was not accomplished without considerable argument and cross-filing. It was accompanied by a motion for further time in which to demur, answer or otherwise plead. A. G. M. Robertson for the plaintiff opposed the granting of any further time but Judge Robinson thought that until and including next Monday would not be an unreasonable time.

The motion of D. L. Withington on behalf of certain of the defendants who are not made parties by the amended complaint, for judgment for costs on their behalf of \$40,000 was also set for the same hour. The amount of the costs is based on a Hawaiian statute which gives the winning side in an assumpsit suit a certain percentage of the amount sued for as attorneys fees. This motion raises the question of whether this is an assumpsit suit or not.

The motion to require the plaintiff to give security for costs is based on the following affidavit by W. A. Kinney.

W. A. Kinney being first duly sworn deposes and says that he has practiced before the courts of this Territory for about twenty-five years and has gained sufficient practical knowledge in the trial of cases to make a forecast of what the costs of court will properly amount to in the above entitled cause if the same is tried upon its merits in this court upon the complaint now on file herein, and in affiant's judgment and opinion the costs in question will not fall far short of \$5000; affiant computing that the cost of depositions herein will cost about \$1000; that witnesses fees will cost another \$1000; witnesses having to come in large numbers from the island of Maui; that the other remaining costs of court will not be under \$500; and that besides the foregoing a transcript of the stenographer's notes of evidence will cost about \$1500.

Affiant further states that the plaintiff is a non-resident of the Territory and has been for a number of years; and that affiant has no information or knowledge of any property owned by plaintiff in this Territory.

Affiant further states that in his opinion if said cause is tried upon its merits the number of witnesses that will have to be called by defendants will not fall far short of one hundred, and that the trial thereof will consume about sixty days; affiant in this connection citing further the trial of the proceedings had in this court for the removal of the guardian of Annie T. K. Parker, involving as it did the question of the proper management of the Parker ranch, took nearly sixty days, and then only one side of the controversy was presented, to wit, that for the complainant, and in affiant's opinion the issues presented in the above entitled cause as to the dismissal of plaintiff as manager of the plantation of the Hawaiian Commercial & Sugar Company involve more complex issues and will take a longer time to present than the Parker Ranch proceedings above referred to.

In explanation of the amount allowed by affiant for taking of depositions, affiant says that defendant will have to take depositions in Boston, New York, Porto Rico and San Francisco in order to secure a full and proper presentation of the defense.

The foregoing estimate of costs does not include the question of attorney's fees or commissions, but refers exclusively to the costs of court proper, witness fees, depositions and transcript of evidence.

The motion is that security in the amount of \$15,000 be required.

## ASKS ADMINISTRATION.

Gertrude Whitney Scanlon has petitioned for letters of administration of the estate of her late father Captain Benjamin D. Whitney. The estate consists of about \$360 in cash.

## NEW YEAR'S WEDDINGS.

Rev. H. M. Kanibo seems to hold the record for marriages performed on New Year's day, at least so far as the returns now show. He has reported to the Registrar of vital statistics four couples united by him on January 1, and no one else has reported anything like that number yet. His record far exceeds even that of Rev. G. Motokawa who performs most of the marriage ceremonies at the Immigrant Station and who undoubtedly holds the record for Honolulu for the past year.

## HAWAII COUNTY BUYS LAND.

A deed was filed for record yesterday with Registrar Merriam by which Mary K. Brown and John T. Brown, her husband, both of Hilo, convey to the County of Hawaii a triangular piece of land lying between the junctions of Bridge street, Volcano street and Richardson street, Hilo. The consideration is \$25.

that they were safe, as regards danger of buying fish which might be infected. It now appears, however, that if the Japanese fishermen choose to defy the law in large enough numbers, they may do as they please, without any danger of arrest.

The three Japanese arrested last night, named Nobuch, Hara and Yota, were booked at the police station on a charge of violating the rules of the Board of Health. As it was thought that they might wish to forfeit bail and not appear in court, the sum of \$50 apiece was set as necessary before they obtained freedom. They were arrested at 10 p. m., and only an hour after cash bail in the sum of \$150 was placed in the hands of Receiving Clerk Baker to ensure their appearance in court.

## LOCAL BREVITIES.

(From Wednesday's Advertiser.)  
Mr. and Mrs. C. B. Wells of Wailuku left in the Siberia for an extended tour abroad. Mr. Wells is manager of Wailuku plantation.

Principal J. Vincent of Kealahou school and Miss Correa were married at the Catholic church, Kuau, Maui, by Father Edward on Saturday evening last.

M. T. Simonton, L. Petrie and Charles S. Crane were elected last night as trustees of Excelsior Lodge No. 1, I. O. O. F., to serve during the coming year.

James S. Bailey, who lost an arm while installing machinery at Halawa mill, Kohala, on Monday, died the same night at 9:30. A wireless message to Catton, Neill & Co., his employers, announced the sad event without further particulars. The deceased was a son of Jacob S. Bailey of Honolulu and twenty-five years of age.

Wallach signed an agreement with the Committee of Ten, and that body notified President Pinkham of the Board of Health, that he would submit to all the new conditions of his experiment. Mr. Pinkham informed the politicians that the buildings at Kihili would be ready for the experiment in three weeks. Then he would notify Wallach when to go to Molokai.

James Clark Menzies, who went to the Queen's Hospital about three months ago for special treatment, died yesterday morning at his home in Manoa Valley. A native of Edinburgh, Scotland, he came here from Vancouver, B. C., to become cashier and bookkeeper in the office of the Rapid Transit Co. He leaves a wife and three children. The funeral will be held from the house at ten o'clock this morning. Mr. Menzies was highly esteemed by all who knew him.

(From Thursday's Advertiser.)  
Dr. V. A. Norgaard, of this city, came back from his Maui trip yesterday.

The second sale of the schooner Lulu, under a Federal court order, will be held on Friday of next week.

Mrs. M. F. Scott of Kona, at the Queen's hospital, is recovering from an operation performed last Saturday afternoon.

Mrs. Herbert Winslow of Portland, Oregon, will arrive in the China on the 6th inst. on a visit to her parents, Mr. and Mrs. James Lyle, and other relatives here.

There will be a chance for young men here to enlist in the navy on the arrival of the Pacific fleet. It is said the department is advertising extensively for men to take the places of those whose term will expire by the time the ships reach Magdalena Bay, San Francisco or Hawaii.

Relatives and friends of Mr. and Mrs. Jack London in San Francisco are reported to be anxious because they received no mail from them by the steamer Mariposa from Tahiti. On leaving Hilo in the yacht Snark on October 7, London wrote to the San Francisco folk that he expected to reach Papeete in five or six weeks. It was understood here that the Snark was going first to the Marquesas group from Hilo, in which case there is no ground as yet for anxiety about the party. London is leisurely of habit and the Snark takes a long time to pass a given point.

During the last three months of 1907 the sum of \$11,949.50 has been paid out by the United States Marshal's office here.

Miss Lily Nicholson, a graduate of the San Jose Normal School, arrived by the Siberia to take a position in the public schools of this Territory.

Charles K. Nottley is quoted as saying that if the Home Rule party makes a nomination for mayor of Honolulu, it will be former Senator David Kalanikualani.

Governor Frear has cabled to Acting Governor Mott-Smith that he expected to reach Oakland today. He will sail by the Mongolia, due here January 12 or 13.

The maps of the Kapa lands are completed and appraisers will probably be appointed tomorrow. The Acting Governor and the Land Commissioner were in consultation regarding the matter yesterday.

F. W. Pease, the constructor of the Leprosy Investigation Station at Kalaheo, will go there next Tuesday. He has already sent up some mules to be used in clearing the grounds, and some of the material is on the way.

## BAILEY FUNERAL ON SUNDAY AFTERNOON

## HAWAII COUNTY BUYS LAND.

The funeral of J. S. Bailey, of this city, who was killed on Hawaii early in the week, will take place Sunday afternoon. The body will be brought down on the Kinau and will be placed in charge of the local Odd Fellows. The family services will be held at the Bailey residence on Beretania avenue, Sunday afternoon at 2 o'clock, followed by services at the Odd Fellows hall at 3 o'clock. Bailey belonged to the various branches of the Odd Fellows in this city and they will turn out in full force for the funeral. The uniform rank, will act as escort. A committee consisting of L. L. La Pierre, Jess Dutoit and C. S. Crane has been appointed to meet the Kinau and take charge of the remains.
